

In Memory Of Spencer Dunstall

It is with much regret that we advise the passing of Spencer Dunstall on Monday 15 November 2021. Spencer was a gentleman in the true sense of the word and his passing will leave a void in our sport that cannot be filled. He will be sorely missed by those that had the privilege of calling him "mate".

Spencer was one of a kind. A great shot but modest about his achievements and success. He was always approachable and only too happy to talk shop on the rifle range and to offer advice and help to newbies to the game of target shooting.

If you ever visit the Association at Malabar, take 5 minutes to have a look at the honour board and count the number of times that Spencer won the NSW Queens shooting Target Rifle. He was a man who knew what he was doing and gained a reputation for being able to read the wind and put his shots where they counted the most. He changed over to F Open about 10 years ago as age started to catch up with him, but even so, he could and did turn it on to the surprise of many of us shooting F Open. There were no easy wins to be had if you were shooting against Spencer!

Spencer was the Secretary of the Ungarie Rifle Range for a number of years and I am sure that the club will sorely miss his influence and able guidance. For those of us that made the trip to shoot at Ungarie, we got the chance to catch up with Spencer in a more relaxed atmosphere that only a country club can provide and those times will be remembered fondly by those who had that privilege. His cheeky smile and jokes were a must when having dinner at the West Wyalong RSL Club.

Our condolences go to his family who have lost a father, grandfather and great grandfather who was very much loved and respected.

Rest in Peace our friend and colleague.
